BUILDING CULTURE

150 MONUMENT ROAD

| BALA CYNWYD, PA

Your new app idea could use a shorter commute and a last minute happy hour. By car, train, or bus, commuters can reach the office in no time. Once there, limitless retail and restaurant options are moments away. Plus, 150's placement at the center of City Avenue's business district offers immediate access to Center City, without the city's tax structure.

Recent aesthetic improvements have breathed new life into the property, with more enhancements on the way, including two outdoor spaces and added parking.
